

## Amy Yee Tennis Center Improvements Project

**History:** In 2005, the Amy Yee Tennis Center Advisory Council applied for and received a \$200,000 grant from the Round II Pro Parks Levy Opportunity Fund. The fund was created through the 2000 Pro Parks Levy to support community-initiated park development and acquisition projects. The money will be used to renovate the four outdoor courts and provide design for two new outdoor courts. Additional funding will be needed to construct the two new tennis courts. The Tennis Center Advisory Council is working to raise money for this portion of the project.

**Proposal:** The renovation of four existing outdoor tennis courts will remove and replace net post concrete footings, install geo-textile fabric and 2" asphalt overlay, replace chain-link fence fabric and fence posts at south side of each court.

The proposal for the two new tennis courts will match the existing outdoor tennis courts design with stairs going up to the third level, concrete walks and viewing area to the east, accessible asphalt walk to the west, drainage and storm water improvements.

Operations and maintenance costs associated with 2000 Parks Levy projects will be funded out of levy proceeds through 2008.

**Budget:** Pro Parks Levy Opportunity Fund provides \$200,000 for the design, construction and project management of the improvements.

**Location:** 2000 Martin Luther King Jr. Way S.

<b>Schedule:</b>	<b>Planning</b>	<b>Design</b>	<b>Construction</b>	<b>Completion</b>
	2006	Spring, 2007	Summer, 2007	Fall, 2007

**Community Involvement:** Parks has prepared a public involvement plan that outline procedures for soliciting and considering public input. The Plan identifies people affected, timeline, the structure of the advisory committee, and communication techniques. Parks will hold one public meeting where information is shared with the general community. Parks will also meet with the Amy Yee Tennis Center Advisory Council to provide updates as requested.
